SNETTERTON 5th Oct. 2014

4 HOUR RELAY RACE

TEAM RESERVATION FORM

The MG Car Club will once again be running the British Motor Heritage Classic 4 Hour Relay Race on the Sunday of its 2 day Snetterton meeting in October. We will invite entries from 26 Teams that being the number of garages available at the circuit. Each competing team will be allocated a garage for their use on the Sunday only, from mid-morning, included in their entry fee.

As in previous years teams will consist of a minimum of 3, and a maximum of 6 cars, with a minimum of 3 and maximum of 6 drivers. (i.e. You may have 3 cars & 6 drivers or 6 cars & 3 drivers!). We will also consider the possibility of reserve cars being nominated, to include those already entered with another team, in an effort to ensure all teams are running at the finish.

The full team entry fee will be £780, and Specific Supplementary Regulations and entry forms will be available shortly for download from the Club's web site, www.mgcc.co.uk.

Team Managers wishing to reserve a place whilst they gather the individual team entries may do so by submitting this form, accompanied by a deposit of £150 by Friday 19th August, which will be processed on receipt. Should they subsequently wish to withdraw this reservation, they may do so in writing up until 7th September, and will receive a full refund. All teams wishing to compete MUST submit FULLY completed entry forms by the closing date, which is Friday 19th September. Teams requesting places who do not comply with this will risk forfeiting their deposits and lose their place.

It is the organiser's intention to field a grid of appropriate cars and 18 team entries will be initially reserved for regular competitors in MG Car Club Championships, ecurie GTS Series, and Aero Racing Morgan Challenge. The Club reserve the right to accept or reject entries as they see fit.

Submission of this application and acceptance by the MGCC of a deposit does not guarantee an entry.

All communication will be by email, so please ensure you provide a current address, and that it is legible.
